Summary

In both the dropdowns and the inbox column, you can click the plus icon to add a new item, and right click on items to view additional controls for that specific item.

Team Controls

1. Click the TEAM icon located on the navbar to toggle the Team drop-down menu.
2. The team members that are included in the currently displayed board, and therefore can see and interact with items, will have a yellow tick on both sides of their name.
3. Click a member to include or disclude him from the current board.
4. You can click the plus icon at the bottom of the list to invite new members to your team.

Boards Controls

1. Click the BOARDS icon located on the navbar to toggle the Boards drop-down menu.
2. The currently displayed board will have arrows pointing to its name on both of its name.
3. Click a board to view its content.
4. You can click the plus icon at the bottom of the list to create a new board.

Task Controls

1. Click the plus icon inside the INBOX column to create a new task.
2. Give the task a name. You can optionally give it a description and/or associated subtasks.
3. Drag and drop tasks from one column to another in order to move them around.
4. Right click tasks to edit, delete, or assign team members to them.
